Overview

Dr. Kaliprasad Satapathy is a distinguished Urologist based in Bhubaneswar, Odisha, with an impressive 14 years of experience in the field. He holds multiple prestigious qualifications, including an MBBS, MS in General Surgery, and an MCh in Urology, which attest to his extensive knowledge and expertise in urological disorders. As a dedicated member of the Apollo team, he brings a wealth of knowledge in diagnosing and treating a wide range of urological conditions.

Fluent in English, Odia, and Hindi, Dr. Satapathy is committed to creating a comfortable and communicative environment for his patients, ensuring that they fully understand their conditions and treatment options. His practice is centered around patient care, where he employs a patient-first approach, focusing not only on effective treatment but also on maintaining the highest standards of empathy and support throughout the patient journey.

Dr. Satapathy's specialty encompasses various aspects of urology, including but not limited to urinary tract infections, kidney stones, and prostate issues. He stays abreast of the latest advancements in the field to provide his patients with state-of-the-art treatment options.

Located in the vibrant city of Bhubaneswar, he is well-positioned to serve a diverse population, providing comprehensive care while also participating in community health initiatives to raise awareness about urological health. Dr. Kaliprasad Satapathy's commitment to excellence and his compassionate care make him a trusted choice for patients seeking urological treatment in Odisha.
