Overview

Dr. Sreenivas U M is a dedicated and experienced Neurologist with over 8 years of clinical expertise, currently practicing at Apollo Speciality Hospitals, Vanagaram, Chennai. He is proficient in English, Tamil, Telugu, and Hindi, enabling him to connect effectively with patients from diverse backgrounds.

Dr. Sreenivas specializes in the diagnosis and treatment of various neurological conditions, including **Vertigo, Movement Disorders** (such as Botulinum Toxin therapy and Deep Brain Stimulation), **Stroke**, and the **non-pharmacological management of Headaches**. His approach combines evidence-based medicine with a strong focus on patient comfort and long-term neurological health.

He has been actively involved in national and international neurology forums and is a member of several esteemed professional bodies such as the **Indian Academy of Neurology, International Parkinson's Disease and Movement Disorders Society, Movement Disorder Society of India, Tamil Nadu and Pondicherry Association of Neurologists**, and the **Indian Stroke Association**.

Dr. Sreenivas has also contributed chapters to medical textbooks and currently serves as **Assistant Editor** of the *Annals of Indian Academy of Neurology*. His passion for advancing neurological care and

commitment to clinical excellence make him a trusted name in Neurology in Chennai.
