## Overview

Dr. Kaushik Maulik is a highly qualified and compassionate pediatrician specializing in Pediatric Critical Care, based in Kolkata, West Bengal. With 6 years of extensive experience in this critical field, he is dedicated to providing exceptional healthcare to children in need. Dr. Maulik earned his MBBS degree and further pursued an MD in Pediatrics from PGI Chandigarh, followed by a DNB in Pediatrics and a DM in Pediatric Critical Care from JIPMER. His rich educational background equips him with the knowledge and skills to handle complex pediatric cases with competence and care.

Fluent in English, Hindi, and Bengali, Dr. Maulik effectively communicates with a diverse range of patients and families, ensuring that they feel understood and supported throughout their healthcare journey. His commitment to excellence is reflected in his accolades, including certifications in PALS (Pediatric Advanced Life Support), emphasizing his proficiency in managing critical pediatric situations.

As a part of the Apollo network, Dr. Maulik embodies the professional standards of one of India's™ leading healthcare providers. He is not only focused on treating acute conditions but is also passionate about preventive care and overall child wellness. Dr. Maulik believes in a holistic approach to pediatric

healthcare, aiming to foster a nurturing environment for his young patients.

Parents seeking a knowledgeable and empathetic pediatrician can trust Dr. Kaushik Maulik's expertise and dedication to improving health outcomes for children. His practice is characterized by both professional excellence and a caring touch, making him a valuable asset to the community.
