Overview

Dr Karunesh Kumar is a distinguished Paediatric Gastroenterology based at Apollo Hospitals Delhi. With an impressive 12 years of experience in the medical field, he has dedicated his career to providing exceptional healthcare services to patients. He holds MBBS, MD (Pediatrics), FNB (PGHN), RCPCH Fellowship (London, UK), showcasing his extensive training and commitment to medical excellence. He is proficient in multiple languages, ensuring effective communication with a diverse range of patients.

He is known for his patient-centric approach, emphasizing the importance of understanding each patient's unique needs and medical history. His expertise encompasses a wide range of conditions related to Paediatric Gastroenterology, enabling him to deliver precise diagnoses and treatments. He ensures that patients receive care tailored to their individual health requirements.

In his practice, Dr Karunesh Kumar goes beyond treatments by educating patients about their health conditions. This empowers individuals to take active roles in managing their health and making informed decisions. By fostering a supportive and understanding environment, he builds trust and ensures long-term health management strategies for patients.

Dedicated to staying updated with advancements in his field, Dr Karunesh Kumar actively collaborates with other healthcare professionals to provide comprehensive care. His commitment to improving health outcomes continues to leave a lasting impact on the lives of his patients, solidifying his reputation as a trusted name in Paediatric Gastroenterology.
