Overview

Dr. Karthik S N is a highly experienced neurologist with over 13 years of dedicated practice in the field of neurology. Based in Madurai, Tamil Nadu, he has established a reputation for excellence and innovation in diagnosis and treatment, particularly focusing on issues related to epilepsy in women and addressing complex conditions such as transient ischemic attacks. Dr. Karthik holds a prestigious qualification with an MBBS, MD in General Medicine, and a DM in Neurology, which equips him with a comprehensive understanding of both general medicine and specialized neurological disorders.

He is fluent in English, Hindi, and Tamil, enabling him to connect with a diverse patient population. His commitment to patient care is reflected not only in his clinical practice but also in his contributions to medical literature and research, through which he shares valuable insights into neurological health.

As a member of the Apollo healthcare network, Dr. Karthik leverages advanced medical technology and interdisciplinary collaboration to provide effective treatment plans tailored to each patient's unique needs. His compassionate approach ensures that patients feel heard and understood, making him a preferred choice for those seeking specialized neurological care in the region. Whether it's dealing

with chronic neurological conditions or acute incidents, patients under Dr. Karthik's care can expect comprehensive assessments and evidence-based treatment options.
