Overview

Dr. Keshavan V is a highly skilled Pulmonology Respiratory Medicine Specialist based in Hyderabad, Telangana, with over 10 years of experience in the field. He is dedicated to providing exceptional care to patients suffering from respiratory issues, leveraging his extensive knowledge and skills acquired through years of practice and education. Dr. Keshavan has received rigorous training, holding qualifications including MBBS and MD from the prestigious Christian Medical College (CMC) Vellore, as well as further specialized qualifications such as DNB in EDARM from France, MRCPS from Glasgow, and FCCP from the USA, alongside FAPSR from Japan.

His expertise has earned him recognition as a member of several esteemed organizations, including the Royal College of Physicians and Surgeons of Glasgow, and he is a Fellow of the American College of Chest Physicians and the Asian Pacific Society of Respiriology. Dr. Keshavan's commitment to advancing his knowledge in pulmonology is evident through his continuous engagement with the latest advancements in respiratory medicine.

Fluent in several languages, including English, Hindi, Malayalam, Telugu, Tamil, Kannada, and Bengali, he ensures effective communication with a diverse patient population. Dr. Keshavan is affiliated with Apollo Hospitals, where he utilizes state-of-the-art technology and a compassionate approach to treat his patients. His comprehensive knowledge of respiratory diseases, combined with his patient-centered approach, allows him to design tailored treatment plans that address each individual's unique medical needs. Whether it's chronic obstructive pulmonary disease (COPD), asthma, or other respiratory conditions, patients can trust Dr. Keshavan to provide expert and empathetic care to improve their health and quality of life.
