6. What is Dr. Koka Ram Babu's experience?

Dr. Koka Ram Babu has 36 years of experience in the medical field.

7. Who is an Ear-Nose-Throat (ENT) Specialist?

An otorhinolaryngologist, also known as an ENT doctor, specializes in diagnosing and treating ear, nose, and throat disorders. ENT medicine addresses conditions of the ear, nose, throat, and related head and neck areas.

8. Is an Ear-Nose-Throat (ENT) Specialist and an Otorhinolaryngologist different?

An otorhinolaryngologist is a medical doctor specializing in ear, nose, and throat (ENT) conditions. The term 'ENT specialist' is a more commonly used synonym. ENT doctors manage a wide range of ear, nose, and throat disorders, employing both medical and surgical treatments as needed.

9. Do I need a referral to see an ENT specialist?

Appointments with ENT specialists are typically made in advance. Walk-in consultations may also be available, though waiting times may apply. Referrals from other physicians, such as general practitioners, may also be provided.

10. Should I consult an ENT specialist for sinusitis?

Yes, an Ear, Nose, and Throat (ENT) specialist is the recommended healthcare professional for sinusitis treatment. While a primary care physician can provide initial assessment, ENT specialists possess the expertise to diagnose and manage this condition effectively due to the interconnected nature of the sinuses, ears, and nose. Their specialized knowledge ensures optimal sinusitis care.
