Overview

Dr. M Kumar is a highly skilled Vascular Surgeon with over 14 years of experience in the field. Based in Visakhapatnam, Andhra Pradesh, he is known for his expertise in diagnosing and treating a wide range of vascular conditions. Dr. Kumar holds a DNB (Diplomate of National Board) qualification, which underscores his commitment to providing top-notch medical care to his patients. He is fluent in both English and Hindi, enabling him to effectively communicate and build rapport with a diverse patient population. Dr. Kumar is associated with Apollo Hospitals, a recognized leader in healthcare, where he utilizes the latest techniques and technology in vascular surgery to ensure the best possible outcomes for his patients. His dedication to excellence and patient-centered approach make him a trusted choice for individuals seeking vascular surgical care. In addition to his medical qualifications, Dr. Kumar is known for his compassionate care and thorough understanding of his patients's™ needs, striving to make each visit as comfortable and informative as possible. Whether dealing with arterial blockages, vein disorders, or other vascular issues, patients can count on Dr. Kumar for comprehensive treatment plans tailored to their specific situations.
