Overview

Dr. Mahesh Ghogare is a highly esteemed Cardiologist based in Mumbai, Maharashtra, with over 13 years of dedicated experience in the field of cardiology. After obtaining his MBBS and completing his MD in Internal Medicine, he pursued further specialization in DM Cardiology. Dr. Ghogare is an International Associate at the American College of Cardiology and has made significant contributions to the field, being recognized as one of Mumbai's Top Doctors in 2018 by INTER-NOVATION INC for his exceptional work. He was also honored with the Medical Excellence Award in 2017 from the Indian Solidarity Council, reflecting his commitment to advancing cardiac care.

Dr. Ghogare is fluent in English, Hindi, and Marathi, allowing him to communicate effectively with a diverse patient population. His clinical expertise encompasses a wide range of procedures, having performed more than 5,000 angiographies and 1,000 angioplasties, particularly through the radial approach. He is adept at managing complex and critical cases, including emergency situations involving heart attacks. His areas of specialization include primary angioplasty, complex coronary interventions, TAVI/TAVR, Mitraclip, ICD, CRT, CRT-D, permanent pacemaker implantation, as well as device closures for ASD, VSD, and

PDA. Additionally, he has a keen interest in carotid and renal angioplasties.

Dr. Ghogare has made notable appearances as a guest speaker on DD Sahyadri Live for World Heart Day and has actively participated as a faculty speaker at the ASIA PACIFIC Vascular Interventions Conference, highlighting his recognized expertise in the field. With numerous national and international publications to his name, he continues to contribute to the body of knowledge in cardiology, aiming to provide his patients with the highest standard of care.
