Overview

Dr. Mehul Shah is a highly esteemed Paediatric Nephrologist based in Hyderabad, Telangana, with over 22 years of extensive experience in the field of pediatric nephrology. He is dedicated to providing specialized healthcare to children suffering from kidney-related issues. Dr. Shah holds multiple qualifications, including an MBBS, MD in Pediatrics, DCH, and DABPN, showcasing his extensive knowledge and expertise in child health. He is fluent in English, Hindi, and Telugu, enabling him to communicate effectively with a diverse range of patients and families.

Throughout his distinguished career, Dr. Shah has received numerous accolades for his exceptional contributions to pediatric medicine. Notably, he was awarded the Best Fellow Research Award for his significant work on the role of thyroid hormone in the maturation of PST NaCl transport at the Society of Pediatric Research meeting held in Boston, USA, in May 2000. Additionally, he earned the Best Fellow Award at the Children's Medical Center of Dallas, Texas, during 1998-1999, and was recognized for Excellence in Teaching by Senior Residents at the University of Connecticut Health Center in 1995-1996.

Dr. Shah is actively involved in clinical procedures, including both hemodialysis and peritoneal dialysis for young children, and has experience with innovative treatments such as charcoal hemoperfusion for phenytoin intoxication in pediatric cases. His commitment to his patients and his pursuit of medical excellence make him a sought-after specialist in the realm of pediatric nephrology. With his compassionate approach and extensive background, Dr. Mehul Shah continues to positively impact the lives of children and their families in need of specialized nephrological care.
