Overview

Dr. Palpandi Veilumuthu is a highly skilled urologist with over 14 years of dedicated experience in the field of urology. He is currently associated with Apollo Specialty Hospitals in Nellore, where he provides comprehensive care to patients with a wide range of urological conditions. Dr. Veilumuthu's extensive educational background includes an MBBS from Kurnool Medical College, followed by a Master of Surgery (M.S.) in General Surgery from S.V. Medical College in Tirupati. He further specialized in urology, earning his M.Ch. from SVIMS in Tirupati, and has also completed a Fellowship in Minimal Access Surgery (F.MAS) at the World Laparoscopy Hospital in New Delhi. This robust academic foundation equips him with the knowledge and skills necessary to deliver exceptional patient care. In his practice, Dr. Veilumuthu focuses on a variety of urological issues, including kidney stones, urinary tract infections, prostate disorders, and male infertility. He is particularly passionate about utilizing advanced minimally invasive surgical techniques to enhance patient outcomes and reduce recovery times. Dr. Veilumuthu believes in a patient-centered approach, taking the time to listen to his patients' concerns and ensuring they are well-informed about their treatment options. His warm demeanor and commitment to compassionate care

create a supportive environment where patients feel comfortable discussing their health issues. At Apollo Specialty Hospitals Nellore, Dr. Veilumuthu is part of a multidisciplinary team that prioritizes the highest standards of medical excellence. His collaboration with fellow healthcare professionals ensures that patients receive comprehensive and coordinated care tailored to their individual needs. Dr. Veilumuthu's dedication to continuous learning and staying abreast of the latest advancements in urology further enhances the quality of care he provides. Patients can trust that they are in capable hands with Dr. Veilumuthu, who is committed to improving their health and well-being through expert medical care and a compassionate approach.
