Overview

Dr. Poonam Maurya is a highly skilled Medical Oncologist with over nine years of dedicated experience in the field of oncology. Based at Apollo Cancer Centres in HSR Layout, Bangalore, she has established herself as a compassionate and knowledgeable practitioner, committed to providing the highest standard of care to her patients. Dr. Maurya's extensive educational background includes an MBBS degree, followed by DNB in General Medicine and DNB in Medical Oncology, equipping her with a robust foundation in both general and specialized medical practices. This comprehensive training allows her to approach complex cancer cases with a well-rounded perspective, ensuring that her patients receive tailored treatment plans that address their unique needs. Dr. Maurya's clinical focus encompasses a wide range of oncological conditions, with particular expertise in the latest treatment modalities and advancements in cancer care. She is dedicated to staying abreast of emerging research and innovative therapies, which enables her to offer her patients the most effective and evidence-based treatment options available. Her approach to patient care is characterized by empathy and open communication, as she believes that understanding and addressing the emotional and psychological aspects of cancer treatment

is just as important as the medical interventions themselves. Dr. Maurya takes the time to listen to her patients, ensuring they feel supported and informed throughout their treatment journey. At Apollo Cancer Centres, Dr. Maurya is part of a multidisciplinary team that collaborates to provide comprehensive cancer care. Her association with this esteemed institution reflects her commitment to excellence and her belief in the importance of a holistic approach to oncology. By working closely with other specialists, she ensures that her patients benefit from a coordinated care plan that encompasses all aspects of their health. Dr. Poonam Maurya is not just a physician; she is a partner in her patients' journeys, dedicated to guiding them through the challenges of cancer with expertise, compassion, and unwavering support.
