Overview

Dr. Prabu P is a distinguished Haematologist with an extensive experience of 29 years in the field. Based in Chennai, Tamil Nadu, he is well-renowned for his expertise in diagnosing and managing a wide range of haematological conditions, including malignancies like Leukemias, Lymphomas, and Myelomas, as well as benign conditions such as Thalassemia and Immune Thrombocytopenic Purpura (ITP). His impressive educational background includes an MBBS and MD in General Medicine from JIPMER, along with prestigious qualifications such as MRCP, Dip RCPATH, and FRCPath.

Dr. Prabu has served as a consultant haematologist in prominent institutions in the UK, including Airedale NHS Trust and Bradford Teaching Hospital NHS Trust. He was also appointed as a Consultant Haematologist at the Royal Derby Hospital, where he played a pivotal role in advancing the understanding and treatment of bleeding disorders like Haemophilia and thrombotic conditions.

In recent years, Dr. Prabu has extended his expertise to address the challenges posed by Covid-19, focusing on managing patients suffering from Covid-related thrombotic and bleeding disorders. He is multilingual, fluent in English, Hindi, Telugu, Tamil, and Bengali, enabling him to connect with a diverse

group of patients. Recognized for his contribution to the field, Dr. Prabu is committed to providing comprehensive care and staying at the forefront of haematological treatments and research.
