Overview

Dr. Priyanka Singh is a highly qualified and dedicated Paediatrician based in Bhopal, Madhya Pradesh. With 15 years of rich experience in her field, she has established herself as a trusted expert in children's health. Dr. Singh holds multiple qualifications, including MBBS, DCH, PGPN from Boston, and FISPAN, which equip her with a profound understanding of paediatric care. Her dual fluency in English and Hindi allows her to connect with a diverse range of patients and their families, ensuring that they feel comfortable and informed during consultations.

At Apollo Hospitals, Dr. Singh is committed to providing exceptional medical care tailored to the unique needs of children. Her clinical approach emphasizes preventive healthcare and holistic wellbeing, advocating for healthy lifestyle choices among younger patients. Dr. Singh's expertise spans various aspects of paediatrics, such as growth and development concerns, vaccinations, and chronic illness management, making her a versatile practitioner in the realm of children's health.

As a female doctor, she is also passionate about empowering women and mothers in navigating health issues related to their children, fostering a supportive environment for discussions about paediatric

concerns. Parents seeking a compassionate and knowledgeable paediatrician will find Dr. Priyanka Singh a reliable partner in their child's healthcare journey. Her dedication to her profession and the wellness of children makes her a standout choice for families in Bhopal.
