## Overview

Dr. Rajesh Chawla is a highly qualified Pulmonology and Critical Care Specialist with over 30 years of extensive experience in the field. Based in South Delhi, India, he is recognized for his expertise and dedication to providing exceptional patient care. Dr. Chawla earned his foundational medical degree (MBBS) and advanced degrees (MD) with specialization in Pulmonology. He further holds prestigious certifications including FCCM (Fellow of the American College of Critical Care Medicine), FCCP (Fellow of the American College of Chest Physicians), and EDIC (European Diploma in Intensive Care). His multilingual abilities allow him to effectively communicate with patients in English, Punjabi, and Hindi, ensuring clear understanding and comfort during consultations and treatments.

Known for his commitment to advancing respiratory health and critical care, Dr. Chawla stays at the forefront of medical developments in pulmonary and critical care medicine. His approach combines a thorough understanding of complex medical conditions with a compassionate touch, making him a respected figure among his peers and a trusted partner for his patients. As an exclusive partner in his medical practice, he consistently prioritizes patient-centered care, focusing on tailored treatment plans that

address each individual's unique health challenges.

Dr. Chawla's dedication extends beyond patient care; he is also involved in mentorship and education within the medical community, sharing his knowledge and experience to foster the next generation of healthcare professionals. His reputation for clinical excellence and personal attention to patient needs makes him a leading choice for individuals seeking specialized care in pulmonology and critical care in Delhi.
