Overview

Dr. Rajkumar Kulasekaran is a highly skilled Pulmonology and Respiratory Medicine Specialist with a decade of experience in the field. Based in Chennai, Tamil Nadu, he is committed to providing comprehensive care for patients with respiratory conditions. He holds notable qualifications including a DNB in Respiratory Diseases and a Fellowship of the American College of Chest Physicians (FCCP), ensuring he is well-equipped to handle a wide range of pulmonary issues. Dr. Kulasekaran is fluent in English, Hindi, and Tamil, making him accessible to a diverse patient population. His expertise encompasses diagnosing and treating conditions such as asthma, chronic obstructive pulmonary disease (COPD), lung infections, and other respiratory ailments. Although he has not been awarded any specific accolades, his extensive experience and dedication to patient care speak volumes about his commitment to excellence in the medical field. Dr. Kulasekaran practices at Apollo Hospital, a trusted name in healthcare, and prides himself on providing tailored treatment plans that prioritize the health and wellness of each individual. Whether managing chronic conditions or providing preventive care, Dr. Kulasekaran is devoted to improving the quality of life for his patients. With his knowledge, compassion, and patient-

centered approach, he continues to be a vital resource for those seeking expertise in pulmonary health.
