## Overview

Dr. Rakesh Gupta is a seasoned General Physician and Internal Medicine Specialist, bringing over 40 years of extensive experience in the medical field. Based in South Delhi, Dr. Gupta has dedicated his practice to delivering comprehensive healthcare solutions that cater to the diverse needs of his patients. With a robust educational background including an MBBS and an MD in Medicine, along with a Fellowship in Internal and Critical Care Medicine (FIACM), he is well-equipped to handle a wide range of medical conditions.

Dr. Gupta is fluent in both English and Hindi, allowing him to communicate effectively with a broad demographic of patients. His approach to medicine emphasizes patient-centered care, where listening to and understanding the patient's concerns precede diagnosis and treatment. He is committed to staying updated with the latest advancements in medical science and integrating evidence-based practices into his clinical work.

As a member of the renowned Apollo hospital network, Dr. Gupta is part of a team that values quality care and patient satisfaction. He believes in a holistic approach, which includes not only the treatment of illness

but also the promotion of overall health and well-being. Whether you're dealing with chronic conditions or seeking preventive care, Dr. Rakesh Gupta offers expertise you can trust. Patients appreciate his dedication, attention to detail, and the compassionate care he provides in every consultation. Visit Dr. Gupta for a thorough evaluation and personalized guidance on your health journey.
