Overview

Dr. Ravi Bhatia is a highly experienced neurosurgeon based in South Delhi, Delhi, boasting an impressive 48 years of practice in the field of neurosurgery. As a specialist, he has dedicated his career to providing advanced medical care in the diagnosis and treatment of various neurological conditions. Dr. Bhatia holds a distinguished educational background with qualifications including MBBS, MS, and a prestigious M.Ch in Neurosurgery, which equip him with a robust understanding of both surgical and non-surgical approaches to neurosurgical cases.

His expertise encompasses a wide range of procedures including brain surgery, spinal surgery, and treatment of disorders related to the nervous system, ensuring comprehensive care for his patients. Dr. Bhatia's commitment to continuing education and professional development allows him to stay at the forefront of advancements in neurosurgery, thus providing the highest standards of care.

Fluent in English, he communicates effectively with a diverse patient base, ensuring that his patients receive clear explanations and support throughout their treatment journey. Although he currently practices at Apollo Hospital, his contributions to the field extend beyond the operating room, reflecting a passion for

improving patient outcomes and advancing neurosurgery as a discipline. Dr. Ravi Bhatia is not only respected by his peers but also cherished by his patients for his professionalism, empathy, and unwavering dedication to their well-being.
