Overview

Dr. Rishi Malik is a highly esteemed psychiatrist with an impressive experience of 9 years in the field. He is based in Bhopal, Madhya Pradesh, and is known for his dedication to improving the mental health of his patients. Dr. Malik holds a Bachelor of Medicine, Bachelor of Surgery (MBBS) and a Doctor of Medicine (MD) in Psychiatry, where he was recognized as a Gold Medalist for his outstanding academic achievements. His commitment to excellence extends beyond his basic qualifications; he is a Fellow of the Royal College of Psychiatrists in the UK and has completed psychoanalytic training from the esteemed Institute of Psychoanalysis in London.

Fluent in English, Hindi, and Punjabi, Dr. Malik is adept at communicating with a diverse range of patients, ensuring that they feel comfortable and understood throughout their treatment journey. He provides comprehensive psychiatric assessments and personalized treatment plans, leveraging his extensive training and experience to support his patients in managing their mental health conditions.

Dr. Malik is affiliated with Apollo Hospitals, where he employs a patient-centric approach to care. He is well-regarded for his compassionate demeanor and ability to create a safe space for individuals to discuss

their mental health concerns. His accolades, including multiple awards for his contributions to the field, reflect his commitment to advancing psychiatric care. Whether addressing anxiety, depression, or other mental health disorders, Dr. Rishi Malik's expertise and dedication make him a trusted choice for patients seeking psychiatric support.

Awards

I did my lab based molecular research in breast cancer at imperial College. I have also completed my European society of Surgical Oncology oncoplastic breast fellowship at Guy's and St Thomas hospital in UK. I have presented and published articles in international conferences and journals
