Overview

Dr. Rituparna Ghosh is a highly experienced psychologist based in Mumbai, Maharashtra, with over 20 years of dedicated practice in the field of clinical psychology. Holding both an M.Sc and a Ph.D. in Clinical Psychology, Dr. Ghosh has established herself as an authority in mental health, contributing significantly to the wellbeing of her patients. She is fluent in multiple languages, including English, Hindi, and Bengali, ensuring effective communication with a diverse clientele.

Throughout her career, Dr. Ghosh has been recognized for her exceptional work, receiving prestigious awards such as the Nirbhaya Jyoti National Woman Achievers Award in 2018 for her contributions to mental health. Her qualifications include certificates in Neurolinguistic Programming (NLP), Rational Emotive Behaviour Therapy (REBT), and Play Therapy, highlighting her commitment to employing varied therapeutic approaches to best meet the needs of her patients.

As a psychologist at Apollo, Dr. Rituparna Ghosh employs a compassionate and evidence-based approach to therapy. Her expertise encompasses a range of psychological issues, allowing her to guide individuals through their mental health challenges with empathy and professionalism. Whether working with children

or adults, she is dedicated to fostering a safe and supportive environment for healing and growth, making her a trusted resource for those seeking psychological support.
