Overview

Dr. Roshini Gopinathan is a highly experienced plastic surgeon based in Chennai, Tamil Nadu, with over 15 years of professional practice in the field of plastic surgery. A dedicated medical practitioner, Dr. Gopinathan holds a comprehensive educational background, having earned her MBBS degree, along with specialized qualifications in D.ortho and AB in both General Surgery and Plastic Surgery. This multidimensional expertise allows her to address a wide array of surgical needs with precision and care. In her role as a plastic surgeon, Dr. Gopinathan is committed to enhancing the aesthetic and functional aspects of her patients' lives. She utilizes the latest techniques and advancements in plastic surgery to ensure safe, effective, and satisfactory outcomes. Her passion for her specialty reflects in her meticulous approach to patient care, ensuring that each individual's goals and concerns are thoroughly understood and addressed.

While based in a renowned institution like Apollo, she takes pride in being an advocate for her patients, guiding them throughout their treatment journey. Dr. Gopinathan is also fluent in English, which helps in establishing clear communication and rapport with patients from diverse backgrounds.

As a female plastic surgeon, she brings a unique perspective to her practice and aims to empower her patients through her compassionate care and professional expertise. Dr. Roshini Gopinathan is dedicated to achieving excellence in surgical outcomes, making her a trusted choice for those seeking plastic surgery in Chennai.
