Overview

Dr. Sandeep Bafna is a highly experienced Urologist with over 9 years of specialized practice in the field of Urology. Based in Chennai, Tamil Nadu, he has dedicated his career to the diagnosis and treatment of various urological conditions, making him a trusted name among his peers and patients alike. Dr. Bafna holds impressive qualifications, including an MS, DNB in Urology, and MRCS from Edinburgh, which provide him with a comprehensive understanding of both surgical and non-surgical urological treatments. His expertise ranges from management of kidney stones and bladder infections to advanced procedures for more complex urological issues.

Fluent in English, Hindi, Tamil, and Kannada, Dr. Bafna is committed to understanding his patients' needs and ensuring effective communication. This linguistic versatility allows him to cater to a diverse population, providing personalized care that is sensitive to cultural and linguistic factors. Dr. Bafna's clinic is equipped with state-of-the-art technology and resources, ensuring that patients receive top-tier medical attention along with the latest advancements in urological care.

In addition to his clinical practice, Dr. Bafna remains updated with the latest developments in his field, participating in continued medical education and workshops. His dedication to patient care, combined with his deep understanding of urological disorders, makes him an invaluable asset to the healthcare community in Chennai. Whether you are dealing with a minor issue or a more serious condition, Dr. Sandeep Bafna is equipped to help you achieve optimal health and well-being.
