Overview

Dr. Sandeep Satsangi is a distinguished Hepatologist based in Bangalore, Karnataka, with over 10 years of experience in the field of hepatology. He has earned a reputation for his expertise in diagnosing and treating liver-related conditions, utilizing his extensive training and knowledge to deliver optimal patient care. Dr. Satsangi's educational background includes an MBBS, an MD in Internal Medicine, and a DM in Hepatology, equipping him with a solid foundation in both internal medicine and specialized liver care. Fluent in multiple languages including English, Hindi, Telugu, and Kannada, Dr. Satsangi is able to communicate effectively with a diverse patient population, ensuring that each patient feels understood and cared for. As part of the Apollo Hospital network, he is committed to providing the highest standards of healthcare to his patients.

Dr. Satsangi is incredibly passionate about his work and staying up-to-date with the latest advancements in hepatology. His approachable manner and dedication to patient education make him a trusted choice for those seeking help with liver diseases. In addition to his clinical practice, he actively participates in conferences and seminars to further enhance his skills and knowledge.

Whether patients are dealing with chronic liver diseases, liver cirrhosis, or liver cancer, Dr. Sandeep Satsangi is equipped to provide comprehensive assessment and tailored treatment plans. His commitment to improving liver health and patient outcomes truly sets him apart in his field.
