Overview

Dr. Sharad Sharma is a highly experienced General and Laparoscopic Surgeon based in Mumbai, Maharashtra, with over 25 years of dedicated practice in the field. He holds an impressive academic background, having completed his MBBS, followed by a Master's in General Surgery (MS Gen. Surg.). Additionally, Dr. Sharma possesses advanced training certifications, including a Diploma in Advanced Laparoscopic Surgery, and he is a Fellow of the American College of Surgeons (FALS), the Minimal Access Surgeons of India (FMAS), and the Indian Association of Gastrointestinal Endo Surgeons (FIAGES).

Fluent in both English and Hindi, Dr. Sharma is well-equipped to cater to a diverse patient demographic, ensuring clear communication and understanding. His expertise encompasses a wide array of surgical procedures, particularly in the realms of general and laparoscopic surgeries, allowing him to offer minimally invasive options that enhance recovery times for his patients.

As a Bariatric Surgeon, Dr. Sharma specializes in weight loss surgeries, helping patients achieve their health and wellness goals through effective surgical interventions. His commitment to delivering high-

quality care, combined with his extensive knowledge and skill set, establishes him as a trusted figure in the surgical community.

Dr. Sharma's affiliation with Apollo Hospitals underscores his dedication to top-tier medical practices, ensuring that his patients receive comprehensive treatment supported by the latest technological advancements and surgical methodologies. Whether addressing complex surgical needs or routine procedures, Dr. Sharma's compassionate approach and professional acumen shine through, making him a reliable choice for patients seeking surgical care in Mumbai.
