Overview

Dr. Soumya S Holla is a highly skilled Surgical Oncologist based in Bangalore, Karnataka, with seven years of extensive experience in the field of oncology. She is dedicated to providing exceptional care to her patients, focusing primarily on breast surgery and various aspects of surgical oncology. Dr. Holla's educational foundation includes an MBBS degree, followed by a Master's in General Surgery (MS Gen. Surg.) and a prestigious Membership of the Royal College of Surgeons (MRCS). Additionally, she has enhanced her expertise through a fellowship in Breast Surgery, allowing her to stay at the forefront of advancements in cancer treatment and surgical techniques.

Fluent in English, Hindi, and Kannada, Dr. Holla effectively communicates with a diverse patient population, ensuring that her patients fully understand their conditions and the treatment options available. The empathy and compassion she shows towards her patients enhance their experience during some of the most challenging times in their lives. As a member of Apollo, she practices in a state-of-the-art facility, committed to using the latest technologies and methodologies in surgical oncology.

Dr. Holla is known for her meticulous approach and attention to detail in every procedure, prioritizing the safety and well-being of her patients. She believes in a multidisciplinary approach to cancer care, collaborating with other specialists to provide comprehensive treatment plans tailored to the unique needs of each patient. Her passion for her work and dedication to continuing education makes her a trusted partner for patients navigating their cancer journey.
