Overview

Dr. Sudip Sengupta is a highly experienced Paediatrician with 18 years of dedicated service in the field of child healthcare. Based in Kolkata, West Bengal, he brings a wealth of knowledge and expertise to his practice, ensuring that each young patient receives the best possible care. Dr. Sengupta holds several esteemed qualifications, including MBBS, DCH, MD in Tropical Medicine, MRCPCH, and a specialized degree in Childhood Asthma. His expansive education enables him to tackle a wide range of pediatric conditions with proficiency and empathy.

Fluent in English, Bengali, and Hindi, Dr. Sengupta is able to communicate effectively with a diverse patient base, understanding the unique cultural contexts that affect healthcare. This linguistic ability, combined with his medical expertise, helps him build strong relationships with both children and their families, making them feel at ease during their consultations.

As a paediatrician at APOLLO, Dr. Sengupta emphasizes a holistic approach to children's health, focusing not only on treatment but also on preventive care and health education. He is particularly interested in addressing chronic conditions such as asthma, using his specialized training to provide targeted

interventions.

Dr. Sengupta is committed to ongoing professional development, regularly updating his knowledge to align with the latest advancements in paediatric medicine. His dedication and passion for child health make him a trusted choice for parents seeking comprehensive care for their children. Whether it's routine check-ups or more complex health issues, Dr. Sudip Sengupta remains a caring and dependable doctor for families in Kolkata.
