Overview

Dr. Sukhvinder Bindra is a highly skilled Oral and Maxillofacial Surgeon with over 20 years of experience in the field. Based in Hyderabad, Telangana, she is known for her comprehensive approach to patient care and her expertise in treating a wide range of conditions related to the mouth, jaw, and face. Dr. Bindra holds both an MDS and a BDS, underscoring her extensive education and training in dental and surgical practices.

Fluent in multiple languages, including English, Hindi, Telugu, Marathi, and Punjabi, Dr. Bindra effectively communicates with a diverse patient population, ensuring that individuals from various backgrounds can understand their treatment options. Her empathetic nature, coupled with her surgical finesse, makes her a favorite among patients seeking specialized oral healthcare.

As a part of the APOLLO group, Dr. Bindra adheres to the high professional standards that the organization is known for, utilizing state-of-the-art techniques and the latest technology in her practice. Whether it's reconstructive surgery following trauma or corrective jaw surgery, Dr. Bindra's commitment to excellence is evident in all her procedures.

Patients have praised her not only for her surgical expertise but also for her ability to explain complex medical concepts in a manner that is easy to understand. This makes her an invaluable resource for individuals seeking to improve their oral health and overcome challenges related to oral and maxillofacial conditions. With a well-respected reputation in her community, Dr. Sukhvinder Bindra continues to make significant contributions to the field of oral and maxillofacial surgery.
