Overview

Dr. Prof. Sumit Kumar Bose is a highly experienced dermatologist based in South Delhi, with an impressive 30 years of expertise in the field of dermatology. He is a well-respected figure, known for his deep understanding of skin health and commitment to patient care. Dr. Bose holds multiple qualifications, including MBBS, M.D., D.I.S., F.D.S. from France, D.V., and D.T.M&H. from the United Kingdom, which reflects his extensive training and dedication to the medical profession.

Fluent in English and Hindi, he is capable of communicating effectively with a diverse patient base, ensuring that all individuals feel comfortable and understood during their consultations. His practice is characterized by a patient-centric approach, where he takes the time to evaluate each patient's unique conditions and tailor treatments accordingly.

As a part of the Apollo group, Dr. Bose is associated with one of the leading healthcare institutions in India, allowing him access to advanced medical technology and comprehensive resources. He is equipped to handle a wide range of dermatological issues, from common skin conditions to complex cases requiring specialized attention.

Dr. Bose's dedication to ongoing education and his ability to stay updated with the latest advancements in dermatology practices make him a reliable choice for anyone seeking skin-related medical advice or treatment. Whether it's addressing concerns related to acne, psoriasis, or cosmetic dermatology, patients can trust Dr. Bose to provide exceptional care in a supportive environment.
