Overview

Dr Tanweer Shahid is a distinguished Radiation Specialist Oncologist based in Kolkata, West Bengal, with an impressive experience of 16 years in the field of radiation oncology. He holds an MBBS degree along with advanced qualifications, including DNB, MNAMS, and PDCR, demonstrating his commitment to continuing education and excellence in his specialism. Dr. Shahid currently serves as the Head of the Department of Radiation Oncology, bringing his expertise to a variety of cancer care areas. His clinical interests lie in the management of Head & Neck Cancers, Genitourinary Cancers, Breast Cancers, and Hematological Malignancies, where he utilizes both advanced technology and personalized treatment plans to ensure the best outcomes for his patients.

His previous experience as a Senior Registrar at the esteemed Tata Memorial Hospital in Mumbai has honed Dr. Shahid's skills in delivering compassionate and effective care. His dedication to the field has been recognized through numerous accolades, including the Certificate of Honour in 2020 and the Distinguished Clinician Award for both 2021 and 2022. Dr. Shahid is multilingual, fluently speaking English, Hindi, Bengali, Telugu, and Urdu, ensuring he can communicate effectively with a diverse patient

population.

With a strong focus on patient welfare, Dr Tanweer Shahid remains committed to implementing the latest advancements in radiation therapy, always prioritizing the unique needs of each individual patient. His expertise and dedication make him a valuable partner in the fight against cancer, embodying a holistic approach to treatment that encompasses both technology and human compassion.
