Overview

Dr. Tarang Vora is a highly skilled Pediatric Neuro Surgeon based in Hyderabad, Telangana, with over 11 years of extensive experience in the field. As a dedicated and focused practitioner, he specializes in treating complex neurological conditions in children, including epilepsy, and is recognized for his expertise in both Pediatric Neurosurgery and Functional and Epilepsy Surgery. Dr. Vora has pursued advanced training, holding qualifications including MBBS, MRCS, DNB in Neurosurgery, along with Fellowships in Pediatric Neurosurgery and Functional and Epilepsy Surgery from Milan, which highlights his commitment to providing the best care to his young patients.

Fluent in multiple languages such as English, Hindi, Telugu, Marathi, Gujarati, and Malayalam, Dr. Vora ensures effective communication and a compassionate approach towards patients and families from diverse backgrounds. His dedication to improving children's quality of life through surgical interventions and treatment plans has earned him a reputation for excellence in the pediatric neurosurgical community. Dr. Vora practices with a patient-centered approach, focusing on each child's unique needs and working collaboratively with families to create personalized care strategies. Whether it's through innovative

surgical techniques or comprehensive post-operative care, he remains committed to achieving favorable outcomes for his patients. Dr. Tarang Vora is not just a physician; he is a trusted advocate for the health and well-being of children facing neurological challenges.
