Overview

Dr. Trilok Pratap Singh Bhandari is a highly experienced Surgical Oncologist based in Hyderabad, Telangana. With 24 years of dedicated service in the field of oncology, Dr. Bhandari has established himself as a leading expert in surgical interventions for cancer treatment. He holds multiple qualifications including MBBS, MS in General Surgery, DNB, Fellowship in Surgical Oncology, and a specialized certification in Advanced Onco Plastic Breast Surgery, which reflects his comprehensive understanding of both the technical and aesthetic considerations in oncological procedures.

Communicating with patients in English, Hindi, and Telugu, Dr. Bhandari is committed to providing compassionate care while ensuring that his patients fully understand their treatment options. His expertise encompasses a range of surgical techniques aimed at effectively managing various types of cancer, making him a trusted partner for patients and their families during challenging times.

Affiliated with Apollo Hospitals, Dr. Bhandari utilizes state-of-the-art medical technology and innovative surgical techniques to achieve the best possible outcomes for his patients. His dedication to continuous

professional development and commitment to patient-centered care have earned him respect within the medical community, as well as among his patients. Whether you are seeking a diagnostic consultation or require advanced surgical intervention, Dr. Trilok Pratap Singh Bhandari stands ready to support your health needs with skill and compassion.
