Overview

Dr. Vasantha Kumar R S is a highly experienced Nephrologist based in Bangalore, Karnataka, with an impressive 33 years of dedicated practice in the field of nephrology. He possesses a robust academic background, holding an MBBS, an MD in General Medicine, and a DM in Nephrology, which makes him exceptionally qualified to treat a variety of kidney-related disorders. With a commitment to patient care, Dr. Vasantha Kumar emphasizes a thorough understanding of each patient's unique needs, tailoring treatment plans that are both effective and considerate of their overall health. He is proficient in English, ensuring clear communication with his patients. As a practicing doctor at Apollo Hospitals, Dr. Vasantha Kumar is part of a renowned healthcare institution known for its advanced medical technology and emphasis on patient safety and quality care. His clinical expertise, combined with his compassionate approach, makes him a trusted choice for patients seeking nephrology care in the region. Whether diagnosing chronic kidney diseases, managing dialysis, or advising on preventive measures, Dr. Vasantha Kumar is dedicated to improving the quality of life for his patients.

Experience

Worked in Armed forces Command Hospitals at Kolkata, Bengaluru , Lucknow and Pune from Jan 1999 to Apr 2015. These Hospitals have Full fledged Nephrology Centres where in Nephrology Dept with wards, OPD, Haemodialysis , CAPD CRRT Renal Transplant are carried out .

- Renal Transplant Centre – Was Instrumental in obtaining sanctioned and starting RTC at Kolkata and Lucknow and carried out transplants at Bengaluru and Pune . Appx 250 transplant were carried out under my guidance including around 30 cadaver transplants . In one such cases , two cadaver renal transplants were done back to back at command Hospitals Bengaluru on 23 Oct 2009 with good results.
- Haemodialysis Centre – At each of these command Hospitals a state of the art dialysis centre is functioning with 400- 450 dialysis being carried out monthly .
- CAPD – Nearly 40 to 50 CKD patients are on CAPD in these Command Hospitals ,with good Quality of life and less complications . Every month CAPD workshops were conducted to benefit the patients.
