## Overview

Dr. Venkateswaran R is a highly experienced psychiatrist based in Chennai, Tamil Nadu, with over 8 years of dedicated service in the field of mental health. He holds esteemed qualifications including an MBBS and an MD, as well as a Fellowship in Clinical Addiction Psychiatry (FICAP) from the renowned Christian Medical College, Vellore. Dr. Venkateswaran is committed to providing compassionate and comprehensive care for his patients, focusing on understanding their unique challenges and tailoring treatment plans that promote overall well-being. Fluent in English, Hindi, and Tamil, he effectively communicates with a diverse patient population, ensuring that language is never a barrier to receiving quality psychiatric care. Working at Apollo Hospitals, Dr. Venkateswaran employs a holistic approach, integrating various therapeutic modalities to address issues ranging from anxiety and depression to more complex psychiatric disorders. His dedication to the field has earned him the respect and trust of both his patients and colleagues. As a psychiatrist,

Dr. Venkateswaran is not only passionate about diagnosing and treating mental health conditions but also about raising awareness and reducing the stigma surrounding mental health issues. His practice is

characterized by a patient-centered approach, where he emphasizes the importance of building strong therapeutic relationships. Whether in individual therapy sessions or through broader mental health initiatives, Dr. Venkateswaran R continues to make a significant impact on the lives of those he serves.
