Overview

Dr. Vishwanath S is a distinguished medical oncologist based in Bangalore, Karnataka, with over 15 years of specialized experience in the field of oncology. He holds a prestigious fellowship from the University of Texas, MD Anderson Cancer Center, one of the leading cancer treatment and research institutions globally. Dr. Vishwanath has an exemplary academic background, having earned gold medals in both DM in Medical Oncology from the Kidwai Memorial Institute of Oncology and MD in Internal Medicine from Kasturba Medical College.

His clinical expertise encompasses a broad range of oncology specialties, including Lymphoma, Multiple Myeloma, Leukemias, and various solid tumors such as breast, gynecological, lung, head and neck, gastrointestinal, and sarcomas. Dr. Vishwanath is not only committed to patient care but is also an active contributor to medical literature, boasting over 40 international publications in high-impact journals. His research has been recognized with several awards, including the prestigious Abstract Achievement Award from the American Society of Hematology (ASH).

In recognition of his accomplishments in the field, the Apollo Hospitals Educational and Research Foundation (AHERF) appointed him as a Professor in the Department of Medical Oncology in 2018. Dr. Vishwanath is multilingual, fluent in English, Hindi, Kannada, Telugu, Malayalam, and Tamil, making him accessible to a diverse patient population. His dedication to excellence in oncology delivers not just treatment, but also hope and a pathway toward healing for his patients.
