Overview

Dr. Gautham S L is a highly skilled General and Laparoscopic Surgeon with over 12 years of dedicated experience in the field of surgery. Based in Bangalore, he is associated with Apollo Hospitals Bannerghatta Road, a leading healthcare institution known for its commitment to excellence in patient care. Dr. Gautham's extensive educational background includes an MBBS, an MS in General Surgery, and specialized training in Surgical Gastroenterology (FSGE) and Bariatric Surgery (MAMBS). This robust foundation equips him with the knowledge and expertise to handle a wide range of surgical procedures, ensuring that his patients receive the highest standard of care. Dr. Gautham's clinical focus encompasses various aspects of general and laparoscopic surgery, with a particular interest in minimally invasive techniques that promote quicker recovery times and reduced postoperative discomfort. His approach to patient care is characterized by compassion and thoroughness; he believes in fostering a supportive environment where patients feel comfortable discussing their concerns and treatment options. By prioritizing open communication and patient education, Dr. Gautham ensures that individuals are well-informed and actively involved in their healthcare decisions. His commitment to staying abreast of the

latest advancements in surgical techniques further enhances the quality of care he provides. At Apollo Hospitals Bannerghatta Road, Dr. Gautham is part of a multidisciplinary team that emphasizes collaborative care and innovative treatment solutions. His dedication to improving patient outcomes and enhancing the overall healthcare experience aligns perfectly with the hospital's mission to deliver world-class medical services. Patients can trust Dr. Gautham not only for his surgical expertise but also for his unwavering commitment to their well-being, making him a valuable asset to the Apollo Hospitals community.
