Overview

Dr. Bala Prakash is a distinguished Respiratory Medicine Specialist at Apollo Hospitals Greams Road, Chennai, with 16 years of extensive experience in the field. She holds an MD, underscoring her advanced expertise in diagnosing and treating a wide range of respiratory conditions, including asthma, chronic obstructive pulmonary disease (COPD), and interstitial lung diseases. Dr. Prakash is particularly proficient in advanced bronchoscopy, pulmonary function testing, and sleep medicine, ensuring her patients receive the most effective and innovative treatments available.

In addition to her clinical practice, Dr. Prakash is actively involved in research and academic discussions, contributing to the advancement of respiratory medicine. She regularly participates in national and international medical conferences, where she shares her insights and findings, fostering a collaborative approach to patient care and medical excellence. Her commitment to staying at the forefront of medical advancements ensures that her patients benefit from the latest evidence-based practices.

Dr. Prakash is dedicated to providing patient-centered care, prioritizing the needs and concerns of her patients. She believes in fostering open communication and building strong relationships, which is

reflected in her ability to speak English, Hindi, and Tamil. This linguistic proficiency allows her to connect with a diverse patient population, ensuring that everyone receives compassionate and comprehensive care tailored to their unique needs.
