Overview

Professor Dr Adosh Lall is a reputed dental surgeon and a health care leader in oral care with over 29 years of experience in restorative dentistry, implants, and specialized gum-related dental ailments. He currently serves as a *Senior Consultant* at Apollo Hospitals, Indraprastha, New Delhi. Besides, he is also a *Distinguished Clinical Tutor* with the Apollo Hospitals Educational & Research Foundation, since 2019. The Professor has an extensive background in Dental Education, having been involved in graduate and postgraduate dental teaching for over 17 years. He has also served as an examiner for postgraduate dental students, helping shape the next generation of dental professionals. Before this current role with the Apollo Hospitals, he was a Consultant Periodontist at *Sir Ganga Ram Hospital*, New Delhi. Known for his compassionate and patient-centred approach as a trusted doctor, Dr Lall not only provides dental care but also emphasizes the vital connection between whole-body health and dental health. His wide-ranging practice is guided by the motto "*Excellence without Pretension*." He is dedicated to empowering his patients with the knowledge they need to make informed decisions about their oral health. The Professor's primary specialization is Periodontics and Implantology with subspecialties in restorative

dentistry.

His clinical interests lie in periodontal reconstruction in diabetics, restorative & adhesive dentistry, reconstructive periodontal surgery with alloplastic bone grafts & guided tissue membranes, implantology, guided bone regeneration on peri-implant sites, periodontal plastic surgeries for smile enhancement, adult endodontics (comprehensive root canal therapy), resorbed / flat alveolar ridge augmentation as well as smile design & enhancement.

Dr Lall being a family dentist is *multilingual*, conducting patient consultations in English, Hindi, Punjabi, Kannada, and Nepalese. His *diverse cultural experiences*, combined with his strong track record of competence, have led to his involvement in various capacities with various professional, social, and philanthropic organizations.
