Overview

Dr. Viny Kantroo is a distinguished Pulmonology and Respiratory Medicine Specialist at Apollo Hospitals Indraprastha, Delhi, with 18 years of extensive experience in her field. She holds multiple prestigious qualifications, including DNB in Respiratory Diseases, MRCP, IDCCM, and EDARM, which underscore her advanced expertise and commitment to medical excellence.

Dr. Kantroo is proficient in a range of specialized procedures and treatments, including advanced bronchoscopy, pulmonary function testing, and management of complex respiratory conditions such as asthma, COPD, and interstitial lung diseases. Her dedication to patient-centered care is evident in her approach, where she prioritizes innovative treatments tailored to individual patient needs, ensuring optimal health outcomes.

In addition to her clinical practice, Dr. Kantroo is actively involved in research and academic discussions, contributing to the advancement of respiratory medicine. She frequently participates in national and international medical conferences, sharing her insights and findings with peers, thereby enhancing the collective knowledge in her field.

Fluent in English, Hindi, Punjabi, Kashmiri, and Bengali, Dr. Kantroo effectively communicates with a diverse patient population, fostering a welcoming environment for all. Her unwavering commitment to high-quality healthcare and patient satisfaction makes her a trusted choice for those seeking respiratory care.
