Overview

Dr. Anunaya Katiyar is a distinguished Paediatric Nephrology Specialist at Apollo Hospitals Indraprastha, Delhi, with a decade of dedicated experience in her field. She holds an MBBS and an MD in Pediatrics, complemented by a Fellowship in Pediatric Nephrology, which underscores her advanced expertise and commitment to providing exceptional care for children with kidney-related conditions.

Dr. Katiyar is proficient in a range of specialized procedures and treatments, including management of pediatric hypertension, nephrotic syndrome, and chronic kidney disease. Her research interests focus on innovative treatment modalities and improving patient outcomes, and she actively participates in academic discussions and medical conferences to stay at the forefront of advancements in pediatric nephrology.

A strong advocate for patient-centered care, Dr. Katiyar prioritizes the well-being of her patients and their families, ensuring that they are informed and involved in their treatment plans. Her compassionate approach, combined with her commitment to medical excellence, makes her a trusted partner in the healthcare journey of her young patients.

Fluent in both English and Hindi, Dr. Katiyar effectively communicates with a diverse patient population, fostering a supportive and understanding environment for all families seeking her expertise.
