Overview

Dr. V Arun Kumar is a distinguished Liver Transplant Specialist at Apollo Hospitals Indraprastha, Delhi, with over 12 years of dedicated experience in the field. He holds an M.B.B.S, an M.S from PGIMER, and an M.Ch from AIIMS, Delhi, which underscores his advanced expertise in hepatobiliary surgery and liver transplantation. Dr. Kumar is proficient in a range of complex procedures, including living donor liver transplantation, laparoscopic liver resections, and management of liver diseases, ensuring that his patients receive the highest standard of care.

In addition to his clinical practice, Dr. Kumar is actively involved in research and academic discussions, contributing to advancements in liver transplantation techniques and patient outcomes. He frequently participates in national and international medical conferences, sharing his insights and findings with peers, which reflects his commitment to medical excellence and continuous learning.

Dr. Kumar is dedicated to providing patient-centered care, focusing on innovative treatments tailored to individual needs. His compassionate approach ensures that patients and their families feel supported throughout their healthcare journey. Fluent in English, Hindi, and Telugu, he effectively communicates with

a diverse patient population, fostering trust and understanding in every interaction.
