Overview

Dr. Amruth Raj is a distinguished Liver Transplant Specialist at Apollo Hospitals CBD Belapur, Mumbai, with six years of dedicated experience in the field. He holds an MBBS, an MS in General Surgery, and an MCh in G.I. Surgery, equipping him with advanced expertise in liver transplantation and hepatobiliary surgery. Dr. Raj is proficient in a range of complex procedures, including living donor liver transplantation, laparoscopic liver resections, and management of liver diseases, ensuring his patients receive the highest standard of care. In addition to his clinical practice, Dr. Raj is actively involved in research and academic discussions, contributing to advancements in liver transplantation techniques and patient outcomes. He regularly participates in national and international medical conferences, sharing his insights and staying abreast of the latest developments in his field. His commitment to innovative treatments and medical excellence is evident in his approach to patient care. Dr. Raj is dedicated to providing patient-centered care, ensuring that each patient receives personalized attention and support throughout their treatment journey. Fluent in English, Hindi, Malayalam, and Marathi, He effectively communicates with a diverse patient population, fostering a compassionate and understanding environment for all his patients.
