Overview

Dr. Avinash Tank is a distinguished Surgical Gastroenterology Specialist at Apollo Hospitals in Gandhinagar, Ahmedabad, with over 15 years of dedicated experience in the field. He holds an MCh from SGPGIMS, along with an MS and MBBS, equipping him with advanced expertise in complex gastrointestinal surgeries, minimally invasive techniques, and the management of liver and pancreatic disorders. Dr. Tank is renowned for his proficiency in procedures such as laparoscopic surgeries, endoscopic interventions, and colorectal surgeries. His commitment to innovative treatments is complemented by his active involvement in research and academic discussions, where he contributes to the advancement of surgical practices. He frequently participates in national and international medical conferences, sharing insights and collaborating with peers to enhance patient care standards. Dedicated to patient-centered care, Dr. Tank prioritizes the well-being and comfort of his patients, ensuring they receive personalized treatment plans tailored to their unique needs. His ability to communicate effectively in English, Hindi, and Gujarati allows him to connect with a diverse patient population, fostering trust and

understanding. With a steadfast commitment to medical excellence, Dr. Avinash Tank continues to make significant contributions to the field of surgical gastroenterology, striving to improve outcomes and enhance the quality of life for his patients.
