Overview

Dr. Priyanka Srivastava is a distinguished Medical Oncology Specialist at Apollo Hospitals Gandhinagar, Ahmedabad, with 15 years of extensive experience in the field. She holds an MBBS, MD in Internal Medicine, DrNB in Medical Oncology, and a Fellowship in Medical Oncology, complemented by her training at PMCC, UOT Canada. Her advanced qualifications ensure that she remains at the forefront of oncology, providing her patients with the most effective and innovative treatment options.

Dr. Srivastava is proficient in a range of specialized procedures and treatments, including chemotherapy, targeted therapy, and immunotherapy. She is actively involved in clinical research, contributing to advancements in cancer treatment and management. Her participation in academic discussions and medical conferences underscores her commitment to continuous learning and sharing knowledge with peers in the medical community.

Dedicated to patient-centered care, Dr. Srivastava prioritizes the well-being of her patients, ensuring they receive compassionate and personalized treatment plans. She is fluent in English, Hindi, Marathi, and Gujarati, allowing her to communicate effectively with a diverse patient population. Dr. Srivastava's

unwavering commitment to medical excellence and innovative treatments makes her a trusted partner in the fight against cancer.
