Overview

Dr. Kailash Chandra Mishra is a distinguished Radiation Oncology Specialist at Apollo Hospitals Rourkela, bringing over 36 years of extensive experience in the field. He holds an MBBS and an MD in Radiation Oncology, equipping him with advanced expertise in delivering cutting-edge cancer treatments. Dr. Mishra is proficient in a range of specialized procedures, including intensity-modulated radiation therapy (IMRT), stereotactic body radiation therapy (SBRT), and brachytherapy, ensuring that his patients receive the most effective and innovative care available.

A dedicated advocate for patient-centered care, Dr. Mishra prioritizes the individual needs of his patients, fostering an environment of compassion and support throughout their treatment journey. His commitment to medical excellence is further demonstrated through his active involvement in research, academic discussions, and participation in numerous medical conferences, where he shares insights and advancements in radiation oncology.

Fluent in English, Hindi, and Odia, Dr. Mishra effectively communicates with a diverse patient population, ensuring that all individuals feel understood and valued. His unwavering dedication to improving patient

outcomes and enhancing the quality of life for those battling cancer makes him a respected leader in his field and a trusted partner in healthcare.
