Overview

Dr. Satyakam Mishra is a distinguished Radiology Specialist at Apollo Hospitals Rourkela, bringing over 10 years of dedicated experience in the field of radiodiagnosis. He earned his MBBS and MD from AIIMS, where he honed his expertise in advanced imaging techniques, including MRI, CT scans, and ultrasound diagnostics. His proficiency in these specific procedures allows him to provide accurate diagnoses and effective treatment plans tailored to each patient's needs.

A passionate advocate for patient-centered care, Dr. Mishra is committed to delivering innovative treatments that enhance patient outcomes. He actively participates in research and academic discussions, contributing to the advancement of radiology practices. His involvement in various medical conferences underscores his dedication to staying at the forefront of emerging technologies and methodologies in radiology.

Fluent in English, Hindi, and Odia, Dr. Mishra effectively communicates with a diverse patient population, ensuring that all individuals feel understood and supported throughout their healthcare journey. His unwavering commitment to medical excellence and compassionate care makes him a trusted partner in

health for his patients and their families.
