Overview

Dr. Urmila Soman is a distinguished Obstetrics and Gynaecology Specialist at Apollo Adlux Hospital, Cochin, with over 22 years of dedicated experience in her field. She holds an impressive array of qualifications, including MBBS, DGO, DNB (OBG), FICOG, DMAS (Germany), and MNAMS, which underscore her advanced expertise and commitment to medical excellence. Dr. Soman is proficient in a variety of specialized procedures and treatments, including high-risk obstetrics, minimally invasive surgeries, and reproductive health management. Her dedication to patient-centered care is evident in her approach, where she prioritizes the unique needs of each patient, ensuring they receive the highest quality of healthcare. She is also actively involved in research and academic discussions, contributing to advancements in her field and participating in numerous medical conferences to share her insights and learn from peers. Fluent in English, Hindi, Tamil, and Malayalam, Dr. Soman effectively communicates with a diverse patient population, fostering a welcoming and inclusive environment. Her unwavering commitment to innovative treatments and compassionate care makes her a trusted partner in women's health, dedicated to empowering her patients through every stage of their journey.
