Overview

Dr. Jikku Haniball is a distinguished Orthopaedics Specialist at Apollo Adlux Hospital in Cochin, bringing over 25 years of extensive experience in the field. He holds an MBBS, MS (Ortho), MRCS, and FRCS, which underscores his advanced expertise and commitment to medical excellence. Dr. Haniball is proficient in a range of orthopaedic procedures, including joint replacements, arthroscopy, and trauma management, ensuring that his patients receive the highest standard of care. In addition to his clinical practice, Dr. Haniball is actively involved in research and academic discussions, contributing to advancements in orthopaedic treatments and patient outcomes. He regularly participates in national and international medical conferences, sharing his insights and learning from peers to enhance his practice. His dedication to innovative treatments is matched by his commitment to patient-centered care, where he prioritizes the needs and concerns of his patients. Fluent in English, Hindi, Tamil, and Malayalam, Dr. Haniball effectively communicates with a diverse patient population, ensuring that every individual feels understood and valued. His holistic approach to healthcare, combined with his extensive knowledge and experience, makes him a trusted choice for patients seeking orthopaedic care.
