Overview

Dr. Pillai Biju Sukumaran is a distinguished Urology Specialist at Apollo Adlux Hospital, Cochin, with over 12 years of dedicated experience in the field. He holds an MBBS, an MS in General Surgery, and a DNB in Genito-Urinary Surgery, equipping him with advanced expertise in urological conditions and treatments.

Dr. Sukumaran is proficient in a range of procedures, including minimally invasive surgeries, endourology, and robotic-assisted surgeries, ensuring that his patients receive the most innovative and effective care available.

In addition to his clinical practice, Dr. Sukumaran is actively involved in research and academic discussions, contributing to advancements in urological care. He regularly participates in medical conferences, sharing his insights and findings with peers, which reflects his commitment to staying at the forefront of medical excellence. His dedication to patient-centered care is evident in his approach, where he prioritizes understanding each patient's unique needs and concerns.

Fluent in Malayalam, English, Hindi, and Gujarati, Dr. Sukumaran effectively communicates with a diverse patient population, ensuring that language is never a barrier to receiving high-quality healthcare. His

unwavering commitment to innovative treatments and compassionate care makes him a trusted choice for patients seeking urological expertise.
