Overview

Dr. Kavitha Prakash Palled is a skilled and compassionate ENT Specialist affiliated with Apollo BGS Hospitals, Mysuru, with over 12 years of experience in the field of Otorhinolaryngology and Head & Neck Surgery. She holds an impressive academic background, including MBBS, DLO (ENT), DNB in Head and Neck Surgery, and MNAMS, further enhanced by a Clinical Fellowship in Lateral Skull Base Surgery—reflecting her specialized training in complex ENT conditions.

Fluent in English, Hindi, and Kannada, Dr. Kavitha ensures clear and empathetic communication with patients from diverse linguistic and cultural backgrounds. Her clinical expertise spans across a wide range of ENT issues, including hearing disorders, sinus diseases, throat conditions, and head and neck tumors. Her additional specialization in lateral skull base surgery allows her to address intricate cases with precision and advanced techniques.

Known for her patient-focused approach, Dr. Kavitha is deeply committed to providing individualized care that combines clinical accuracy with emotional support. She keeps abreast of the latest medical innovations and surgical practices, ensuring her patients receive the most effective and up-to-date

treatment. With a reputation for excellence, Dr. Kavitha Prakash Palled continues to be a trusted name in ENT care within the Mysuru region.
