Overview

Dr. Pankaj Vyas is a highly respected Orthopaedic Surgeon at Apollo Hospitals, Indore, bringing more than 28 years of rich clinical experience to the field of orthopaedics. Widely regarded by patients as the best orthopedic doctor in Indore, he holds an MBBS and MS in Orthopaedics, along with a prestigious Fellowship in Advanced Joint Reconstruction and Arthroscopy of the Knee and Shoulder. His extensive training and deep expertise enable him to manage a wide spectrum of orthopaedic conditions, including complex fractures, joint degeneration, sports injuries, ligament tears, and shoulder and knee dysfunctions. Renowned for his precision in advanced arthroscopic and joint reconstruction procedures, Dr. Vyas is also recognized as a top orthopedic surgeon in Indore. He combines surgical excellence with a strong commitment to patient well-being. His approach emphasizes accurate diagnosis, minimally invasive techniques, faster recovery, and long-term functional improvement. Fluent in English and Hindi, he communicates effectively with a diverse patient base, making him a preferred choice for patients searching for an orthopedic doctor near me who offers clarity, trust, and comfort in treatment planning.

Throughout his career, Dr. Pankaj Vyas has remained dedicated to advancing orthopaedic care by staying updated with the latest medical innovations. His patient-centric philosophy includes educating patients about their conditions, guiding them through rehabilitation, and encouraging active participation in their recovery journey. Highly regarded for his compassionate care and exceptional surgical expertise, Dr. Vyas is considered one of Indore's most trusted orthopaedic specialists, consistently delivering outstanding outcomes and improving the quality of life for countless patients.
